- Handle basic drink sales and payments where required.
- Maintain a clean, organised, and welcoming hospitality area.
- Assist people with drink options and answer basic questions.
- Restock supplies as needed throughout the service.
- Assist with setup before the service and pack down afterwards.
- Follow food safety and hygiene practices.

Key Qualities

- Friendly and welcoming
- Enjoys serving and interacting with people
- Reliable and punctual
- Able to work well in a team
- Comfortable handling simple transactions

Time Commitment

- Serve **1–2 services per month**
- Arrive **45 minutes before the Sunday service**

Appliances

Grinder: Mini Mazzer Electronic A

The grinder is an electronic automatic doser.
The amount of grinds per dose is set by the amount of seconds to grind - so this is relative to how fine/coarse the coffee is.
Generally, this should only require periodic adjustments.
